## OUR GUESTS TESTIMONIALS

*“Salinara is truly an inspiring place to be. Marvellous. It is most definitely a unique and very beautiful place to be. The food is excellent, the company stimulating.”*

Caroline

*“Yumi and Adriano have created a haven for aspiring artists seeking the perfect country setting, healthy but mouth-watering food, excellent tuition, and seriously good company.”*

Christine

*“The Sicily workshop was the best gift I ever gave myself. This truly beautiful part of Italy is possibly one of it’s best kept secrets, as yet undiscovered by tourists.”*

Vincent

*“Best hosts, they made us feel extremely welcome. This is the best organized workshop I have taken. Sicily is beautiful.”*

Robert

*“Great lessons, great sicilian food, great wines, great visits, superb location. The chef Maria tuned into our needs and made sure that everyone in the group had a great time.”*

Nancy

# Philosophy

**“The care of the Earth is our most ancient and most worthy, and after all our most pleasing responsibility. To cherish what remains of it and to foster its renewal is our only hope.”**

Wendell Berry

## THE VILLA

Our charming historic 17th century villa is immersed in nature along with the blue Mediterranean sea.

It is a perfect holiday hideaway with a beautiful sea view where both body and soul can regenerate, receiving a positive energy.

We serve home-made foods, fresh vegetable come from our organic vegetable garden, fresh seasonal fruits, eggs from our hens, freshly baked breads and cakes. We try to let guests to experience the best Sicilian traditional cuisine together with selected local wine by sommelier.

During the renovation of the villa we worked with local artisans and used only natural, local products. We tried to keep all the rooms more or less like they were, we wanted to respect the authentic Sicilian style. All our marbles are Sicilian, the colors used to paint the wall were made by Sicilian grounds and natural lime.

You will find authentic doors, windows, floors and wardrobes, have all been restored with our attention and passion.

## CONSCIENCE

We believe that by restoring a historic house to its former glory we are helping to regenerate the coast of Sicily and protect the land from the horrible new building constructions.
